Notre Dame College School Uniform Policy

The Notre Dame Uniform Policy is stated to assist students to meet the expectations, and to inform parents based on the general guidelines of the NCDSB Policy. A general policy cannot detail all possible situations. **Notre Dame's Administration** will interpret the application of the general policy to any particular situation and their decision is final.

Above are two students properly wearing the Notre Dame Dress Uniform, which is not to be worn as casual attire.

General Principles

- Students will cooperate with the school's uniform policy at all times.
- Students will be in uniform all day, everyday, from arrival to departure excluding designated days as determined by the Principal of the school.
- The only shirts, sweaters, and pants or kilts that students will wear are the official school uniform items supplied for the specific school.
- Students will present a neat appearance.
- Students will wear uniform items properly.
- Students will keep uniform items clean and in good repair.
- Students will wear clothing that is sized appropriately: neither too large nor immodestly tight.
- Students will not attend regular classes out of uniform. Loaner uniform items are available in the attendance office, if necessary.

Specific Uniform Items

- Students are to be in FULL UNIFORM as of 8:00 a.m., on the first day of classes and are to be in uniform daily from 8:00 a.m. – 2:15 p.m. including non-class time.
- All uniform items, with the exception of shoes, must be purchased through ND Outfitters.

Sweater/Blazer: Only uniform sweaters/vests/blazers embroidered with the school logo are to be worn. The uniform sweater is not to be worn around the waist or shoulders. A uniform shirt must be worn with the sweater/blazer.

Graduation Hoodie: Must be purchased from ND Outfitters for the corresponding graduating year/class and worn only by graduates. No hoodies from prior years can be worn by graduates. 12B students may wear their grad hoodies from their Gr. 12 year. Hoodies are not to be worn with the hood up over their head in the school.

Shirt: Uniform shirt, either polo or white oxford, with embroidered school logo, purchased from ND Outfitters. New shirts do not have to be tucked in as long as it is size appropriate. Shirts must be buttoned to the second button for males and the top button for females from the collar and the collar must be buttoned on both sides (oxford). Long-sleeved shirts are not to be worn beneath short-sleeved shirts. A white-only undershirt may be worn underneath the uniform shirt.

Pants: Pants must be in good repair, buttoned at the waist and properly hemmed to the heel of the shoe just above the ground. School pants that have been improperly altered (i.e. tapered) may not be worn until the problem has been corrected. Pants are not to be rolled up or tucked into socks.

Kilt/Skort: The kilt/skort must be properly hemmed and cannot be worn more than 8 cm from the middle of the kneecap. Uniform tights, or knee-high socks, must be worn with the school kilt/skort. The knee socks must be worn at the knee level. Girls who have rolled, outgrown, cut or altered the kilt/skort in any way will be requested to wear school pants until the problem has been corrected. Repeated kilt/skort violations will result in kilt/skort privileges being removed.

Shoes: Only low cut, solid black shoes are deemed acceptable. Laces must be solid black and plain. **Solid black means no stripes, company logos, or multi-coloured.** The shoes must have a full back and closed toe. Sandals, flip-flops, clogs, slippers/moccasins (no fur trim) and slip on shoes are deemed unacceptable. Uniform shoes must be worn at all times in the building, including lunchtime. Steel-toed boots are not allowed. Boots are not to be worn in the school. Students who wear

winter boots to school must deposit them in their locker when they arrive at school and change into the appropriate uniform shoe.

Socks: Must be worn at all times. Uniform knee socks/tights (blue or white) must be worn with the kilt at all times. The knee socks must be worn at the knee level. Solid blue/white/navy socks may be worn with the shorts. No multi-coloured or logo socks are allowed.

Shorts: Shorts must be worn so that the ND Logo is visible. Shorts that have been improperly altered (i.e. tapered) may not be worn until the problem has been corrected. Solid blue/white/navy socks may be worn with the shorts. No multi-coloured or logo socks are allowed.

Requests for Out of Uniform Slips

Students are to report to the office, prior to the beginning of the day, to receive an out of uniform slip. Requests for non-uniform items must be accompanied by a note from a doctor. In the case where the request is in lieu of dress shoes, the alternative shoe must be solid black.

Enforcement

Students who do not comply with the uniform policies of Notre Dame may be subject to disciplinary actions including detentions, parental contact and after multiple infractions, suspensions for persistent opposition to authority. Students will not attend regular classes out of uniform. Loaner uniform items are available in the attendance office, if necessary.

ND Outfitters Uniform Information

All uniform inquiries should be directed to Ms. Shana Smith at 905-788-9100.

Other Policies

Backpacks/Knapsacks

Upon arrival to school, students will place their backpack/knapsack into their locker where it will remain until they leave school for the day. Students are not to carry a backpack/knapsack into classrooms or the cafeteria.

Care of School Supplies

Students are responsible for the proper care of books and supplies provided by the school. When books or supplies are lost or damaged students will be expected to replace the article or reimburse the school for the cost. Failure to do so may result in report cards, timetables and/or registration privileges being withheld.

Lunch Periods

Grade 9 students are not allowed to leave the school grounds during lunch (or any other time, except where a parent has called in or given written notice of an appointment, etc.) without written permission from their parent or guardian, addressed to the school Principal for each day that the student will be off-campus during lunch. Students in any other grade should not leave the school without parental approval and students are not to be situated on any area beyond the paved canal walkway (i.e. on the hill of the bank, on the water's edge, etc.). Eating is permitted only in the cafeteria. Students are asked to exhibit pride for our school and our environment. Food and drink purchased from vending machines are to be consumed in the cafeteria. Food in the hallways and in classrooms is strictly prohibited. The following areas are out of bounds to all students during the lunch period:

- Classrooms, unless assigned to lunch period activities and supervised
- Playing fields at the back of the school if Physical Education classes are in progress.
- St. Kevin School areas
- Physical Education locker rooms
- Automobiles
- Any area beyond the paved canal walkway (i.e. the hill/brow of the bank, the water's edge, etc. This will result in automatic suspension)

Please make use of the appropriate recycling containers. These are found throughout the school and grounds. Food baskets are provided in the cafeteria for those students who would like to donate non-perishable items from their lunches to help feed the needy in our community.

Students who fail to meet these expectations may face school community service, detentions, and/or suspension.

Homework Club / P3 (Pathways Preparation Program)

The P3 program was created by the Niagara Catholic District School Board to assist the needs of students in Grades 7-12. Notre Dame has refined this program to support Grades 9 - 12. The after school help program provides direct assistance to students through teacher help and peer tutoring to ensure all students have the help and resources required to be successful.

Homework Club runs after school on Mondays to Thursdays from 2:30 p.m. to 4:30 p.m. Any student requiring extra help is invited to attend.

Location: Library (students are asked to listen for announcements)

Student Visitors

Any student wishing to bring a visitor to the school for all or part of the school day must complete the appropriate requirements, which includes:

- written permission from the parent/guardian of both the ND student and the visiting student.
- written permission from the principal of the visiting student's home school
- a completed ND Visitor Form. This form, which is available from a Vice Principal, will confirm the approval of subject teachers and the administration. The form must be completed at least three days prior to the date of the visit.

At the discretion of the administration, the student's home school may be contacted. On the designated day the student visitor must obtain an Admit to Class slip from the Vice-Principal's Office and the visiting student must wear a Visitor Identification Badge at all times while at ND. If the above conditions are not met the visiting student will not be allowed to spend the day at Notre Dame.

Posting of Flyers

The Education Act through Regulation 298 governs this activity. Students must obtain permission from the Board, through the school administration, before posting or making available to the student body any and all advertisements. The posting of flyers will be restricted to bulletin boards and display areas only. Flyers, which do not have approval, will be removed, and the student(s) responsible may be subject to school disciplinary action.

Lost and Found

All textbooks and personal articles found within the school will be stored in the main office or photocopy room. Those students who have lost items may check there to see if they have been found. Please check with the staff from the main office for the times when you may search for your missing articles. Students are encouraged to put identification on all their possessions.

Parking

The Parking Lot directly off of Smith Street (in front of the Main Entrance) is reserved for staff and visitors. Students are not to use their cars as lockers or to sit in their cars during the school day or play music loudly from their car radios. Student drivers must drive safely and cautiously in the student parking area respecting the 10 km/h speed limit. Parking privileges can be revoked at any time. The Administration reserves the right to revoke parking privileges for any abuse.

Lockers

Lockers are issued to all students. Locks are owned by ND and are loaned to students. Non-issue locks will be cut off and removed. Replacement fee for lost, damaged or removed locks will be charged to the student (\$8). All students must use their lockers to secure their belongings (eg. cars cannot be used as a locker). Locks must be secured in the locked position when unattended. Students cannot change their locker assignment/location.

2019 – 2020 Notre Dame Students' Council

The members of the Students' Council are elected to represent the interests and concerns of the entire student body at Notre Dame College School. Students' Council organizes social activities for students, liaises with Administration and helps finance a number of projects. The Council is responsible for all school dances, including the Christmas Semi-Formal, the Annual Fundraising Drive, the Activities Awards Assembly, the Terry fox Run, the Grade Nine Orientation and Barbecue, and many other activities that enhance the life of the Notre Dame Community.

Alma Mater Notre Dame, Our Mother

Written by Joseph Casasanta and Rev. Charles O'Donnell, C.S.C. In 1930, the Alma Mater, "Notre Dame, Our Mother" debuted at halftime of the Notre Dame Stadium dedication game. The song was composed by band director Joseph Casasanta ('23) and the lyrics were written by University President Rev. Charles O'Donnell, C.S.C. ('06). Today, the song is played at the conclusion of many campus events, including commencement, Mass at the Basilica, and of course, football games. Notre Dame College School is proud to carry on this tradition.

> Notre Dame, our Mother Tender, strong and true Proudly in the heavens, Gleams thy gold and blue. Glory's mantle cloaks thee Golden is thy fame, And our hearts forever, Praise thee, Notre Dame. And our hearts forever, Love thee, Notre Dame.

- Take an active interest in their child's school work and progress
- Communicate regularly with the school
- Help their child be prepared for school, including dressed in uniform
- Ensure that their child attends school regularly and on time
- Promptly report to the school their child's absence or late arrival
- Become familiar with the Code of Conduct and school rules
- Encourage and assist their child in demonstrating appropriate behaviour
- · Assist school staff in dealing with disciplinary issues

A calendar of events and important dates will also be found in the handbook. Students who lose, damage or deface the handbook will be required to purchase a replacement. Handbooks are only to be used by the owner. Students are not to loan or borrow another student's handbook.

We have read the above and accept the commitments and expectations set out in the handbook.

BISHOP'S MESSAGE

My dear friends,

As you begin a new school year, I ask you to stay close to Jesus who loves you so much and is your best friend. Stay close to Him, talk to Him, and act like Him, so that you will be able to do great things at your home, parish and school. Your Catholic school community will help you to do this each day. May God bless you and please pray for me as I will pray for each one of you.

Yours sincerely in Christ,

Most Reverend Gerard Bergie, D.D. Bishop of St. Catharines

The benefit of reporting bullying issues is that the student who is bullying is no longer in control. When teachers and other school staff are aware of bullying, they can find ways to help the student who is bullying to change his/her behaviour.

2.) THE NEXT FINGER IS THE INDEX. PRAY FOR THOSE WHID TEACH YOU. INSTRUCT YOU AND HEAL YOU. THEY NEED THE SUPPORT AND WISDOM TO SHOW DIRECTION TO OTHERS. ALWAYS KEEP THEM IN YOUR PRAYES.

1.) The THUMB IS THE CLOSEST HINGER TO YOU. SO START PRAVING FOR THOSE WHO ARE CLOSEST TO YOU. THEY ARE THE PERSONS EASIEST TO REMEMBER. TO PRAY FOR OUR DEAR ONES IS A "SWIET OBLIGATION." 3.) The total of 40 hours of Christian Community Service would be the minimum expectation for students. The Secondary school principal may approve special requests.

Christian Community Service is a service one gives to the community. It is service spent on community projects, which could be of a cultural, humanitarian, athletic or fund-raising nature. Students will be expected to select an activity that meets the criteria as described in the Niagara Catholic District School Board Information Brochure and the Guiding Principles for Christian Community Service.

Community involvement activity hours, mandated by the Ministry of Education as part of the requirements for an Ontario Secondary School Diploma (OSSD), may not necessarily follow the Guiding Principles of Christian Community Service. Although valid and important experiences, these activities will not be recognized for Christian Community Service within the Religious Education class, although the hours still count toward the forty (40) volunteer hours needed for graduation.

Students will be responsible for completing all documentation according to Board requirements. The forms Notification of Planned Christian Community Service Activities and the Completion of Christian Community Service Activities must be completed each year by students.

Religious Education Department staff will verify that the identified service activity meets the criteria of Christian Community Service, approve the Completion of Christian Community Services Activities Form, and forward the forms to Student Services to input the completed hours into the student's Maplewood profile.

If a student enrolled in a Niagara Catholic Secondary School is interested in completing their Christian Community Service over the summer, or in a semester in which the student does not take a Religious Education course, the student must complete a Notification of Planned Christian Community Service Activities form and submit it to the Program Chair of Religious Education prior to the beginning of the summer holidays or the semester the student is enrolled in the Religious Education course for preapproval.

Community Sponsors are responsible for providing a safe environment and the appropriate training, equipment and preparation for students who will be under their supervision. They must be aware of the "ineligible activities" as outlined in the Board's Information Brochure. The person (not parent/guardian) supervising the student's activity must verify the date(s) and number of hours completed on the Completion of Christian Community Services Activities' Form found on the Catholic Secondary School's website.

Principals, in co-operation with the Religion and Student Services Departments, are responsible for sharing information and documentation with students, parents and the broader community, approving special requests, and ensuring that completed Christian Community Service hours are entered on a student's official transcript and report card.

The Niagara Catholic District School Board's liability insurance covers students who are involved in Christian Community Service, but it is recommended that students participating in the program purchase Student Accident Insurance.

The Niagara Catholic District School Board acknowledges that the primary purpose of assessment, evaluation, and reporting is to improve student learning and achievement for all students. Assessment is the process of gathering information, from observations, conversations and student products to demonstrate how well a student is achieving the curriculum expectations and to improve student learning.

CHEATING AND PLAGIARISM

Cheating is broadly understood to mean offences against the academic integrity of the learning environment. This would include, but is not limited, to the following:

It is the responsibility of students to practice academic integrity in all aspects of their school work so that the marks they receive are a true reflection of their own achievement. Students must understand that assessments completed and assignments submitted for evaluation must be their own work and that cheating and plagiarism will have consequences.

All confirmed incidents of cheating and/or plagiarism must be reported to the Principal/Vice-Principals, and parents/guardians by the classroom/subject teacher.

Markbook reports will be sent home prior to midterm Parent-Teacher-Student Conferences held after six weeks of classes in each semester (see Important Dates page). Parents/guardians may also request Markbook reports at any time throughout the school year. REPORTING STUDENT ACHIEVEMENT

For Grades 9 to 12, a final grade (percentage mark) will be recorded for every course. The final grade will be determined as follows:

- seventy (70) per cent of the grade will be based on evaluation conducted throughout the course. This portion of the grade should reflect the student's most consistent level of achievement throughout the course, although special consideration should be given to more recent evidence of achievement;
- thirty (30) per cent of the grade will be based on a final evaluation administered at or toward the end of the course. The final evaluation allows the student an opportunity to demonstrate comprehensive achievement of the overall expectations for the course. This evaluation will be based on evidence from one or a combination of the following: an examination, a performance, an essay, and/or another method of evaluation suitable to the course content as determined by the teacher following the guidelines for the subject area.

Teachers will assign a percentage mark on report cards to indicate achievement below fifty (50) per cent, ranging from thirty (30) to forty-five (45) per cent, in the professional judgement of the teacher.

For mid-term report cards a mark below thirty (30) per cent will not be recorded.

- 2. Participant quits for personal reasons
- 3. Participant quits because of lack of playing time

CO-CURRICULAR ACTIVITIES

This means that students, although encouraged to be physically active, may only use the gymnasiums with teacher/adult supervision. Students are reminded that appropriate clothing and footwear are required to participate in these areas

SOCIAL MEDIA

Social media can is a powerful tool in encouraging dialogue and in supporting learning. However, it is important to remember that electronic messages are not anonymous. These can be tracked, misdirected, manipulated and live forever on the Internet. Social media sites create and archive copies of every piece of content posted, even when deleted from online profiles. Once information is digitized, the author surrenders all control. The use of social media is not appropriate to address conflict.

When using social media, THINK Digital Discipleship:

T is for Technology as a Tool

Technology is more than a network of wires. Technology has provided us with the gift of social media, allowing us to communicate with networks of people.

H is for our Human Family

As humans interacting in the digital world, we need to consider how, when and what we communicate to others, including when to be silent and listen. We need to remember that we are all part of the human family and need to treat each other with dignity and respect online.

I is for Information

The digital world contains a growing amount of information that challenges us to be reflective and evaluative of what we are reading, viewing and sharing as Catholic people.

N is for Neighbourliness

Pope Francis describes the power of communication as "neighbourliness" - communication is about realizing we are all children of God and we should treat each other as neighbours, one family in Christ.

K is for Knowledge

As digital disciples, we know that how we interact online is a reflection of who we are as followers of Jesus Christ. We know that our interactions leave a digital footprint and therefore must promote unity and harmony for all those we encounter in the digital environment.

WIFI ACCESS

Secondary students will include the first two initials of their school followed their edu/username.

Examples: Blessed Trinity = btedu\username, Saint Paul = spedu\username, Saint Michael = smedu\username.

ABSENCE

Parents/guardians must contact the Safe Arrival system if your child is going to be absent from school for any reason. The absence must be reported by calling 1-844-287-6287 or visiting https://go.schoolmessenger.ca. If a parent does not call or report their child's absence, a consequence will be assigned (i.e., detention).

AGE OF MAJORITY

Before students can attain age of majority status, they, along with their parent/guardian,, may be asked to complete an **Age of Majority Application** and submit it to their Vice-Principal. Once approved, students 18 years of age or older are permitted to sign notes explaining their absences, lates and dismissals. All absences from school, like non-age of majority students, must be in accordance with acceptable reasons for missing school.

ATTENDANCE

Except in cases of emergency, students should only be absent from class when they are too ill to attend: "a child is excused from attendance at school if the child is unable to attend school by reason of sickness or other unavoidable cause." (Education Act, Section 21).

When a parent requests that the child be excused from school, the Principal will make the final decision to excuse the student: "A pupil may be excused by the Principal from attendance at school temporarily at any time at the written request of a parent of the pupil or the pupil where the pupil is an adult." (Reg. 298.23.(3)). Medical notes will be required if absences become excessive. The Attendance Policy will be initiated at 15 consecutive absences or patterns of absences or lates.

EXTENDED ABSENCE

If a parent/guardian wishes to request that a student be absent from school for an extended period of time, for example for holiday travel, the parent must make this request in writing to the Principal well in advance of the departure date.

The student must pick up a "Vacation/Extended Absence" form from the Attendance Office or Vice Principal and return the form signed by the parents and each of his or her teachers. If a "Vacation/Extended Absence" form is not used at the school, then any vacation or extended absence must be cleared with Administration.

The Principal may, under the powers of the Education Act, deny a request for extended absence. Extended absence will not be approved if it interferes with the student's presence for scheduled final examinations.

LATES - PERIOD ONE

Students arriving before 8:30 a.m. should proceed directly to class and be dealt with by the classroom teacher. Students arriving to school any time after 8:30 a.m. should come to the attendance office for an admit slip to present to their teacher upon arrival.

STUDENT ATTENDANCE

LATES - AFTER PERIOD ONE AND BEYOND

Students, who attended an earlier period within the day, who arrive within the first 30 minutes should proceed directly to class and be dealt with by the classroom teacher. Students arriving later than 30 minutes should arrive with an admit slip.

Students are considered to be late if they arrive to period one after the opening exercises have begun or arrive at any other scheduled class after the second bell for that class period. Students must report directly to their class; **NOT** to the Attendance Office.

- On the **first and second late** to class, the teacher assigns a consequence for the student (e.g. detention, assignment).
- On the **third late** to class, the teacher assigns a consequence for the student and parental contact is made.
- On the fourth and subsequent lates to class the teacher refers the student to the Vice Principal. Lunch and/or after-school detentions will be assigned. If the problem becomes persistent the student may be suspended or alternative consequences applied.

The student must have parental permission in the form of a note or a phone call received at the Attendance Office or through the Safe Arrival System before the student leaves the premises. DANCES

The Provincial Code of Conduct applies fully at all school activities, including dances. All consequences described in the policy apply as well as the possibility of losing the privilege of attending school dances. Admission is open to all students in good standing, who were in full attendance at school on the day of the dance.

The following policies also apply to dances:

- The Principal, Vice-Principal and the supervising teachers may refuse admission to any person
- Students will be screened on entry and any student not cooperating with this safety measure will be refused admission
- The Principal or Vice-Principal may remove any person from the dance and contact parents/guardians to pick up their child from school property
- Food or drink of any kind is not to be taken into the dance
- Anyone whose actions and/or language clearly indicates that he/she is under the influence of any drug or intoxicant will be refused admission or removed from the dance. No drinking/consumption of alcohol, of any amount or smoking on school property is permissible
- Once a student has exited the dance they will not be allowed back in
- All outside coats and jackets must be checked since students will not have access to their lockers
- Students are expected to dance in a respectable manner. Dancing that is inappropriate, being overtly provocative in nature, or creates unsafe conditions is not allowed. School officials reserve the right to make decisions about appropriate dancing.
- The school "out of uniform" dress code policy is in effect at all school dances. Administration reserves the right to make decisions on student dress based on appropriateness.

D. E. A. R.

The D. E. A. R. program asks everyone in the school to "drop everything and read". The school is sending a clear message that time spent reading recreationally and academically can improve opportunities for success. Students should bring appropriate reading materials such as novels, magazines, newspapers, and research books.

ELEVATOR

An elevator is available for students who are physically unable to use the stairs, either for a short-term situation (e.g. leg injury) or on a regular basis. For those students who need use of the elevator on a temporary basis, arrangements are to be made with a secretary in the main office.

HALLWAY CONDUCT

Students must practice common courtesy while moving in the hallways and stairways. Loitering by lockers, washrooms and doorways must be avoided at all times. Proper language and a normal conversational level of voice are to be used at all times. Everyone is responsible for maintaining the cleanliness of the hallways. Students engaging in physical signs of affection will be reminded that this type of public behaviour is inappropriate and unacceptable.

GENERAL INFORMATION

LIBRARY INFORMATION CENTRE (LIC)

The Library Information Centre (LIC) offers access to a variety of print and the use of the internet. Use of the internet is to be dedicated to educational research and is to be used responsibly. Photocopy and printing services are available for a nominal fee. Overdue materials are subjected to a fine per day. Students will be responsible for the replacement cost of lost or damaged items. It is expected that student conduct in the LIC will be conducive to an atmosphere of study. The LIC exists as a resource for the benefit of the entire school and any behaviour deemed detrimental to such a goal can result in the suspension of student privileges.

LOCKERS

Lockers and school-approved locks are assigned to each student, and remain the property of the school and school board. Students are **NOT permitted to change locker** assignments without the approval of the administration. Students are requested to protect their property by keeping the locker locked when not in use. Students are not to post lewd or offensive materials inside their lockers and are not to deface or write on or in their lockers. Administration may open a locker for inspection with or without the permission of the student at any time. A student using an unassigned locker or lock other than a school assigned lock will have the lock cut off, the contents removed and will be called to the office. Any requests for another lock or lost lock will require the student to pay for a replacement.

MESSAGES

Messages from parents/guardians will be relayed to students at the end of the school day or at lunch, not during class. Emergencies, however, will always be dealt with promptly. We ask that parents/guardians refrain from contacting students on cell phones during class time.

STUDENT DROP-OFF / PICK-UP

We understand that not every student is bussed or walks to school and at intervals during the school year a student may need to be picked-up or dropped-off at school. Parents are asked to respect the traffic route established by entering our appropriate area for student drop-off/pick-up. At no time are vehicles to be parked in this zone as this represents a potential safety, emergency access, and congestion issue.

STUDENT PARKING

The school supplies bussing for student transportation and cannot provide sufficient parking for students who decide to drive to school. Unauthorized parking may result in the vehicle being towed away at the student's expense. Drivers are asked to keep their vehicles locked. We cannot assume responsibility for losses or damages. Students are not to sit in their vehicles during the school day or play music from their car radios. No smoking is permitted in vehicles at any time. Drivers should abide strictly by all traffic regulations. The speed limit in the parking lot is 10 km per hour. Parking privileges can be revoked at any time. Students who violate these guidelines will be prohibited from driving to school. The school reserves the right to search student vehicles, parked on school property, if needed. Some schools may require that the vehicle is registered with the Main Office.

STUDENT SERVICES

ACTIVITY FEES

Registration fees are collected from students to cover the cost of yearbooks, student handbooks, lock replacement, student card some student activities, clubs, teams, and special events.

COMMUNITY AGENCIES/SERVICES

There are a variety of times when you, or someone close to you, may need help. During these times, in addition to parents/guardians and staff at the school, help is available from a variety of sources. In dealing with the issues, it is important that you are honest with the person you seek help from and inform them of all the facts. If someone you know is struggling, you have a moral responsibility to try to help them. If you are unable to provide help, inform someone who may be able to. Please refer to the Niagara Mental Health Programs and Services Directory section to obtain further information.

GUIDANCE

The guidance program is a vital and integral part of the total school curriculum. It is a composite of the school's instructional, counselling, consulting, coordinating and liaison activities that are designed and implemented to assist student orientation, program choices and preparation for the next level of education or entry into the world of work.

Students are counselled individually to review course selections, progress, educational and career plans. Group presentations may also take place throughout the school year regarding careers, post-secondary school planning, course selections and educational needs assessment. Individual counselling regarding personal and social concerns is provided when a need arises.

P3 PATHWAYS PREPARATION PROGRAM

Niagara Catholic District School Board secondary school's offers P3 as an after-school program to address the curricular needs of students in Grades 9-12. P3 allows students the opportunity to practice their literacy and numeracy skills, develop test-taking strategies, upgrade study skills, and receive direction on potential pathways from a teacher-mentor. The program also provides support to students wishing to improve their current academic standing.

PEER TUTORING PROGRAM

Peer tutoring is a school run program that pairs academically struggling students with a student of expertise in a particular subject area. The peer tutoring assistance is generally conducted out of the P3 program.

SPECIAL EDUCATION

Special education programs at Niagara Catholic District School Board Secondary Schools are designed to ensure universal access and accommodations of individual differences to the greatest extent possible. The needs of each individual exceptional pupil, whether behavioural, communicational, intellectual (including gifted), or physical, as defined by an Identification, Placement and Review Committee (IPRC) of the Board will be met.

Communication involving parents, resource persons, community agencies or others may occur in order to best determine student needs for programming. The program will be regularly assessed and evaluated with the results being communicated to parents on a regular basis.

EMERGENCY AND MEDICAL INFORMATION

ACCIDENTS

A student who is injured should be brought to the Main Office, if possible. In all cases, the Main Office must be notified and proper action taken. Under no circumstances should a student who has injured his/her back or neck be moved.

ADMINISTRATION OF ORAL MEDICATION TO STUDENTS UNDER THE AGE OF 18 POLICY #302.2

In accordance with the Ministry of Education Policy/Program Memorandum No. 81 Provision of Health Support Services in School Settings, all school boards will be responsible for the administration of oral medication where such medication has been prescribed during school hours.

- That such procedures be applied only to those services, requested by the parent and prescribed by a physician or other health care professional, which must be provided during school hours.
- That a request for the service and the authorization to provide such service be made in writing by the parent and the physician, specifying the medication, the dosage, the frequency and method of administration, the dates for which the authorization applies, and the possible side effects, if any.
- That the storage and safekeeping requirements for any labeled medication be stated.
- That a record of administration be maintained which includes the pupil's name, date, time of provision, dosage given, name of person administering, etc.
- That the telephone numbers of the parent and physician be readily accessible.
- That the medication be administered in a manner which allows for sensitivity and privacy and which encourages the pupil to take an appropriate level of responsibility for his or her medication.

ANAPHYLAXIS POLICY #302.1

Anaphylaxis is a severe life threatening form of allergic reaction. Anaphylactic reactions occur when the body's immune system overreacts in response to the presence of an allergen. An allergen is a substance capable of causing an allergic reaction (eg. foods, insect stings, latex, medications etc). The principal of the school should be informed in writing by a parent that a child suffers from anaphylaxis, the expected symptoms and the requested intervention by school staff. An EpiPen or other medication is to be provided to the school to be kept in the office in case of an emergency.

ASTHMA POLICY #302.9

Asthma is a common lung disease making it difficult to breathe. Employees of the Board may be pre authorized to administer medication or supervise a student while the student takes medication in response to an asthma exacerbation with the consent of the parent/guardian or student. If an employee of the Board has reason to believe that a student is experiencing an asthma exacerbation, the employee may administer asthma medication even if there is no authorization.

CONCUSSION POLICY #303.1

The Niagara Catholic District School Board recognizes concussions as a serious injury which requires appropriate follow-up measures to reduce risk of potential additional injury.

EMERGENCY AND MEDICAL INFORMATION

Concussion awareness, prevention, identification and management are a priority for the Board. The implementation of the Board's Concussion Policy and Administrative Guidelines is another important step in creating healthier schools in the Niagara Catholic District School Board. Immediate action must be taken by the individual (e.g. principal, teacher, coach) responsible for the student if the student receives a blow to the head, face or neck, or a blow to the body that transmits a force to the head.

DIABETES MANAGEMENT POLICY - 302.1.3

Diabetes is a disease of the pancreas where a person is unable to create insulin or use insulin that is produced. The ultimate responsibility for diabetes management rests with the parent(s)/guardian(s), the student, the principal and the medical practitioner. The policy outlines the procedures in developing a student diabetes management plan, including roles and responsibilities of school staff, parent(s)/guardian(s) and students and supporting documentation.

EPILEPSY POLICY - 302.1.4

Epilepsy is a common brain disorder characterized by recurrent seizures. The policy outlines the various types of seizures and symptoms as well as safety considerations for schools. An *Individual Plan of Care* to deal with emergency response situations should be put into place for individual students for all situations.

EMERGENCY PROCEDURES

FIRE

It is critical that everyone treats all fire alarms seriously and moves as quickly and orderly as possible to vacate the building immediately when an alarm sounds. Fire drills will be held regularly during the school year. Wilful false alarms are a criminal offence, and are punishable by a fine, a jail term or both. The Fire Department will prosecute offenders to the full extent of the law.

IF YOU HEAR THE FIRE ALARM

- Leave the building using the closest exit, or the exit route specified for the classroom and close doors
- If you encounter smoke in an exit, use an alternate exit
- Follow the directions of staff members
- Report to your teacher in the designated area and remain in that area until instructed to return to the building.

HOLD AND SECURE

Niagara Catholic District School Board Secondary Schools will also run random Hold and Secure drills. This drill is performed when a threat exists outside of the school and all members of our school community are kept indoors.

LOCK DOWN

At various times throughout the school year Niagara Catholic District School Board Secondary Schools will test emergency procedures by conducting Lock Down Drills. A school call out or letter will inform parents when these drills will occur. A lockdown is a drill simulating a threat inside the building.

VOLUNTARY INDIGENOUS SELF-IDENTIFICATION

Voluntary Indigenous Self-Identification for First Nations, Metis and Inuit Students

What is Voluntary Indigenous Self-Identification?

Under Ontario's First Nations, Métis, and Inuit Education Policy Framework, Niagara Catholic District School Board encourages all Indigenous students to self-identify as part of a VOLUNTARY AND CONFIDENTIAL process. According to the Ministry of Education, the information will help school boards improve programs and supports for Indigenous students and enable them to focus their efforts on student achievement.

Niagara Catholic uses information gathered from the *voluntary* self-identification form to support Indigenous students through:

- Access to culturally relevant materials and programs in schools, which allow Indigenous students to see themselves reflected in the learning materials.
- Gathering academic information that will help support the unique learning needs of Indigenous students within our schools.
- Access to cultural events offered to Indigenous students throughout the school year, for example, Indigenous Career Day, First Nations, Metis, Inuit leadership or cultural camps, etc.
- Information about career and educational funding (bursary and grant) opportunities that are specific to individuals of Indigenous heritage.

History of Indigenous Education through Niagara Catholic

In 2007 the Ministry of Education, under the Ontario First Nation, Métis and Inuit Education Policy Framework, identified Aboriginal* education as one of its key priorities with two specific goals: Improving First Nations, Metis, Inuit achievement among students; and to close the gap between Indigenous and non-Indigenous students in the following areas:

- literacy and numeracy,
- retention of students in school,
- graduation rates, and
- advancement to post-secondary studies.

In response to a Ministry directive, the Aboriginal Education Advisory Committee (AEAC) was established in Niagara in 2009. The Committee was renamed the *Indigenous Education Advisory Committee (IEAC)* in 2016. The IEAC is a partnership between Niagara Catholic District School Board and the District School Board of Niagara, supported by a number of community-based Indigenous partner agencies; including: Aboriginal Student Service Departments at Brock University and Niagara College, Fort Erie Native Friendship Centre, Inuit Council (Niagara Region), Niagara Chapter — Native Women Inc., Niagara Peninsula Aboriginal Area Management Board (NPAAMB), Niagara Region Métis Council, and Niagara Regional Native Centre.

VOLUNTARY INDIGENOUS SELF-IDENTIFICATION

* Note: the term *Aboriginal* continues to be used in some government documents, however, the preferred term among the Community is *Indigenous* when referring to people of Metis, Inuit and First Nations heritage.

Terms used to describe the original people of Turtle Island (North America) have evolved over time with some becoming outdated and others misunderstood. Here are some basic definitions to help students self-identify and promote general awareness.

First Nations

First Nations refers to the original people on this land; separate from the Inuit. In Canada, the history of First Nations people is interwoven with the creation of the *Indian Act* (1876). People of First Nations heritage may be referred to as *Status* or *Non--Status*.

Status, refers to people who identify with a First Nation community-ancestral land and are registered with the government of Canada through the *Crown-Indigenous Relations and Northern Affairs Canada* (CIRNAC). *Non-Status*, refers to people who identify with a First Nation community-ancestral land but are not registered through CIRNAC.

* There are more than 600 distinct First Nations and 50 First Languages across Canada. Images included (above) represent Anishinaabe and Haudenosaunee Nations.

Inuit

Inuit have a variety of terms to describe themselves depending on their dialect or region. However, the term "Inuit" is commonly used as it means "the people" in Inuktitut which refers to the original people from the northern circumpolar regions that include Canada's Artic, Alaska, Greenland and Russia.

Métis

The *Métis* are a distinct Indigenous people with a unique history, culture, and language, creating their own customs, practices and traditions separate from their First Nations, Inuit, and European ancestors.

The term Métis refers specifically to people who have historic connection to Métis homeland. It does not refer to all individuals of mixed Indigenous and European heritage.

Niagara Catholic District School Board encourages parents/guardians of students who voluntarily self-identify to contact Niagara Catholic's Indigenous Lead (email: Indigenous.Lead@ncdsb.com) to learn how their child can participate in Indigenous cultural opportunities offered by the Board throughout the school year. We also seek parent representation at the Indigenous Education Advisory Committee (IEAC) representing the voice of Indigenous families in Niagara on behalf of students enrolled with Niagara Catholic District School Board.

Specialist High Skills Major

EXPERIENCE YOUR FUTURE TODAYI

WHAT IS AN SHSM?

The Specialist High Skills Major (SHSM) program, which is part of the Ministry of Education's Student Success initiative in the province of Ontario, has been introduced to offer province-wide specialized programs in specific ministry-identified sectors to support the success of all students. Ontario secondary schools are offering expanded programs to help meet students' individual learning styles and interests. These options include Dual Credits, Specialist High Skills Majors and Cooperative Education. These programs help to meet the needs, interests and strengths of all students, engaging them in learning and better preparing them for graduation and beyond.

Students who choose an SHSM designation learn through co-operative education and experiential learning placement within the community. Students who complete an SHSM designation can be confident when they leave high school that they are equipped with the knowledge, skills, and industry-recognized qualifications desired by employers and post-secondary institutions. Niagara Catholic is proud to be partnered with many local businesses and agencies within the Niagara Region to offer its students rich and diverse opportunities to gain practical experience and expertise in their chosen career fields.

Core Components

- Bundled Credits: Each SHSM program offers students a bundle of 8-10 Grade 11 and Grade 12 credits. The credits include: 4 "major" credits in their area of interest, English and Mathematics, other elective courses in Science, Business or Social Sciences that are designed to complement the major courses, and at least 2 co-op courses related to their SHSM.
- Sector-Recognized Certifications: Related to the major and selected from a list, both generic and specific to support the sector (i.e. WHMIS, First Aid, Fall Arrest).
- Experiential Learning Opportunities: Which includes: Job-shadowing, job-twinning, work experience, cooperative education, field trips and other workplace experiences for students to explore careers related to that sector.
- Reach Ahead Experiences: In the field and sectors considered as a post-secondary destination, ranging from a few hours to full courses (e.g. Dual Credit program).

WHAT IS AN SHSM?

What advantages do SHSM students have?

- $\bullet \mbox{HEAR}$ and SEE $\ldots \mbox{first-hand}$ what a career in their sector feels and looks like
- •NETWORK... with post-secondary institutions, local industries, and businesses
- •GAIN... confidence in their ability to succeed
- •COMPLETE... industry recognized certifications and training
- •OPEN... doors for summer jobs and future employment
- •EARN...a Red Seal designation on their OSSD

What does the Red Seal mean?

- Employers and post-secondary institutions recognize that a student has participated in specialized, career focused programming.
- SHSM students receive an additional transcript outlining their accomplishments.

Can I register to be a SHSM student even if I am doubtful that I will complete all the required components?

- Yes, if you are interested in a possible career related to a SHSM sector, you can register for that SHSM.
- Even if you do not complete all the components of the SHSM, you will still benefit from certification training, field trips and other learning experiences related to the SHSM. You will also receive a summary of all your completed SHSM components when you graduate.

I am in grade 12. I have not taken some of the grade 11 courses specified in the SHSM pathway chart. Can I still get my SHSM designation?

• You will not get your SHSM designation until you have completed ALL the courses in the SHSM pathway chart both in grade 11 and grade 12. You can speak to your guidance counsellor for more information.

WHAT IS AN SHSM?

Can I return for an additional term and complete my SHSM after I graduate?

- Yes, you can complete your SHSM any time after you graduate.
- Upon completion of the required components, you will receive an official SHSM summary sheet showing that you completed the SHSM.

I am a university-bound student who needs specific courses. How can I fit a co-op course in my timetable?

• You have several options: after school co-op, summer co-op, or you can take a grade 11 SHSM major course during grade 10. This will leave two credits open for co-op in grade 12.

How are SHSM students at an advantage in their application to University?

• Many post-secondary applications to University have opportunities for supplemental applications. There are programs that traditionally require portfolios and/or interviews. Many of these are in the Arts which would be an advantage for the Arts and Culture SHSM. Some programs in Radio and Broadcasting, Communications, Journalism, Business and Architecture also require supplemental information.

What if after starting the program the student decides this is not for them?

- All credits earned in an SHSM program count towards the completion of a standard OSSD.
- Any certifications or training gained will hold students in good standing for part-time jobs or work placements.
- Co-op is a valuable experience, allowing a student to discover what they like doing and just as importantly, what they don't like doing.

Please see your school Guidance Department for more information.

OUD ONTARIO YOUTH APPRENTICESHIP PROGRAM

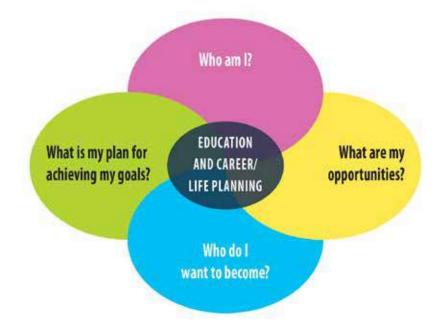

CREATING PATHWAYS TO SUCCESS:

An Education and Career/Life Planning Program for Ontario Schools (Ministry of Education, Policy and Program Requirements, Kindergarten to Grade 12 - 2013)

Creating Pathways to Success sets out the career development policy and program for Ontario schools from Kindergarten to Grade 12. The program is designed to help students achieve their personal goals and become competent, successful, and contributing members of society. This policy describes a whole-school approach that is delivered through classroom instruction linked to the curriculum and through broader school programs and activities- including experiential learning opportunities.

The planning framework introduced in the document focuses on students' self-discovery and self-knowledge and on their creative use of this knowledge in the exploration of opportunities and the planning of pathways for education, career, and life. *Creating Pathways to Success* puts students at the center of their own learning, viewing them as the architects of their own lives. Students are encouraged to discover who they are, explore opportunities, pursue their passions, and design personal pathways to success. They are encouraged to express their insights in individual ways and to keep track of what they discover about themselves and their interests, passions, and opportunities over time.

Ten Top Tips for Academic Success

1. Location, location, location ...

If you're serious about getting work done, find a place that's relatively free of distractions .

2 Make It A Habit: Work Every Day

Spend time on your studies each day and you can stay on top of your courses and still have fun.

3. Help Exists! Seek It Out And Improve Your Grades

You can strengthen your learning skills. Find out if your courses have after school help sessions.

4. Write It Down

Remember important dates. Record due dates for assignments and test dates.

5. Get Energized - Eat, Exercise, Sleep

When you're hungry, tense or tired, your brain can't function at its full potential. It's crucial to eat well, exercise and get adequate sleep.

6. Go To Class Prepared And Take Good Notes

Don 't fall into the habit of missing class. Take a thorough set of notes; you'll be thankful at test time.

7. Classes And Textbooks: What's The Big Picture?

Many unsuccessful students see a course as "a lot of stuff to memorize." Routinely ask yourself, "What's the purpose of this detail?" and "Where does it fit in the big picture?"

8. Do Something (Anything!) To Remember Key Information

Generate examples. create mnemonics, make summary notes, and identify key words. Be creative and interested and you're more likely to be awesome at test time.

9. Think You'll Remember Key Points? Prove It.
